

Build the paper showcase

A complete visual kit for workbook v0.2, sections 6-10 and checkpoint C01.

01 / PRINT

A4 landscape. Select **Actual size / 100%**. Print single-sided. Cut the card sheets on the corner marks. Mount the 12 soul fronts and 12 wraith backs together, or use sleeves. Keep IDs visible when flipped.

02 / SORT

Pages 2-3: 12 soul fronts.
Pages 4-5: 12 wraith backs.
Pages 6-7: 12 memory instances.
Page 8: three route panels.
Pages 9-11: table mats.
Page 12: counters.
Page 13: facilitator reference.

03 / SET THE TABLE

Start crossing 1 with **2 obols**, **3 Standing**, and a four-seat boat. Order souls S01-S12; deal S01-S05. All refusals are 0. Memory zones and wraith area start empty. All three routes are open. Events and optional modules are off.

A route, a load, a consequence.

Choose who crosses. Pay before departure. Deliver souls to earn fares, Standing, and memories. Waiting souls accumulate refusals. The trial ends after six crossings, or on pressure / quota failure.

Physical pieces: 16 obol counters, 16 Standing counters, 12 refusal markers, 8 seat markers, 4 general markers. These are physical supplies, not resource caps. Borrow extra counters if needed. Mark joint / solo memory variants in pencil when acquired.

50 mm print scale check

Visuals are proposals. Route themes do not assign moral worth. Rehearse before the showcase.

Who crosses?

Seat cost uses the four-seat capacity. A 2-seat soul still uses only one physical card slot.

Fare + Standing are gained only on successful arrival.

Refusals stay with the soul. At 3 or more, move it to the wraith area.

Soul wishes and flavor have no extra effect in this base trial.

Refusals stay with the soul. At 3 or more, move it to the wraith area.

Soul wishes and flavor have no extra effect in this base trial.

Trial rule source
Workbook sections 7 and 9.

The waiting cost

Match each back to the same soul ID. Use sleeves or glue after cutting.

At 3+ refusals, flip and move the soul off the shore.

It no longer occupies a shore slot.

Its pressure begins next crossing. Wraiths persist in the base trial.

The printed figure is a reminder, not a new resource.

The waiting cost

Match each back to the same soul ID. Use sleeves or glue after cutting.

At 3+ refusals, flip and move the soul off the shore.

It no longer occupies a shore slot.

Its pressure begins next crossing. Wraiths persist in the base trial.

What remains

Acquisition

Each delivered soul creates its own instance. Add new cards to the queue in ascending source ID.

Recall

Draw up to 2. Play at most 1 during Load, paying 1 Standing.

Linked variants

Mark joint only if both partners arrive together. Later delivery never upgrades old cards.

Waiting target

R03/R05 cannot shield active wraiths. If no waiting target exists, that part has no effect.

EL01 / PRESERVATION

Elysium

1 TOLL 0 PRESSURE

Pay toll in obols during Load.
Apply base pressure during Cross.

ON ARRIVAL
Printed soul rewards.

Trial route, not a judgment of worth.

AS01 / RELEASE & BELONGING

Asphodel

0 TOLL 1 PRESSURE

Pay toll in obols during Load.
Apply base pressure during Cross.

ON ARRIVAL
Printed soul rewards.

Trial route, not a judgment of worth.

TA01 / RECKONING

Tartarus

0 TOLL 2 PRESSURE

Pay toll in obols during Load.
Apply base pressure during Cross.

ON ARRIVAL
Printed soul rewards + 1 service obol if at least one soul arrives.

Trial route, not a judgment of worth.

The ferry

Four seats. Position and adjacency have no rules. Confirm the full load before departure.

PASSENGER 1

Sum printed seat costs.

PASSENGER 2

Sum printed seat costs.

PASSENGER 3

Sum printed seat costs.

PASSENGER 4

Sum printed seat costs.

SEATS USED

1

2

3

4

Place one seat marker per printed seat cost.
A 2-seat soul uses two markers. Total must be 4 or fewer.

BEFORE CONFIRMING Route selected. Seats legal. Toll affordable now. Optional memory and target selected; 1 Standing paid if used. Future fares cannot fund departure costs. An empty boat is legal.

WAITING SOUL 1

WAITING SOUL 2

WAITING SOUL 3

WAITING SOUL 4

WAITING SOUL 5

SUPPLY

S01 to S12

Do not shuffle.

Refill empty shore slots at the start of each crossing. Keep existing refusals. New souls start at 0.

Still waiting

Decay

Each waiting soul gains 1 normal refusal unless protected.

Separation

If both partners were on the shore at departure and exactly one boards, the waiting partner gains 1 extra refusal.

Normal prevention does not block separation.

At 3+

Move to the wraith area.
Pressure begins next crossing.

Soul supply can run out. Keep playing scheduled crossings.

Memory and consequences

Keep card order visible. Use the printed counters or your own small markers.

DRAW QUEUE

Draw from front.

HAND 1

Play at most one.

HAND 2

Cost: 1 Standing.

DISCARD

Keep discard order.

Refill: when queue empties, move discard into it oldest-discarded-first. No shuffle. **Cleanup:** discard played card first, then unplayed hand left-to-right.

WRAITHS

Fan cards here. Each adds 1 next crossing.

DELIVERED SOULS

Stack by arrival. Record each destination.

UNUSED MEMORIES

Keep out of the queue until acquired.

A4 landscape | Print actual size / 100% | Provisional visuals and trial rules

11

Counters and crossing strip

Cut the outlined shapes. Small R dots fit refusal circles. Token supply does not cap resources.

CROSSING

1

2

3
PAY 3

4

5

6
PAY 3

Start: 2 obols, 3 Standing. Use one R marker on each soul refusal track.

Facilitator reference

Temporary rules from workbook v0.2. Six crossings, or stop on the first failure.

01 / SHORE

Keep waiting souls and refusals. Refill to five in S01-S12 order. New souls start at 0. Wraiths occupy no shore slots.

02 / RECALL

Draw up to two from the queue. If empty, refill from discard oldest-first. Never shuffle. Draw fewer if fewer exist.

03 / LOAD

Choose route and passengers, total seats at most four. Optionally play one memory and name targets. Pay toll from current obols and 1 Standing for the memory. Lock the boat.

04 / CROSS

Pressure = $\max(0, \text{route} + \text{existing wraiths} + \text{conflict} - \text{protection})$. If Standing is lower than pressure, stop before arrival: no rewards. Otherwise subtract pressure.

05 / ARRIVE

Collect soul fares and Standing, plus route service payment. Choose joint / solo variants from the locked boat. Add memories at queue bottom by soul ID. Record destinations.

06 / QUOTA

After arrivals on crossings 3 and 6, pay 3 obols. Arrival income may fund this. If fewer than 3 are available, stop: quota failure.

07 / DECAY

Give waiting souls 1 normal refusal unless protected. Add separation refusal if both partners were available and exactly one boarded. At 3+, transform. New wraiths act next crossing.

08 / CLEANUP

Discard the played memory first, then unused hand left-to-right. Clear boat to delivery history, clear temporary effects, advance crossing. Finish after crossing 6 without failure.

Common disputes: Both soldiers add only 1 shared conflict. Poet needs two other passengers; Keeper must be alone. Protection never restores Standing. Joint memories need both partners on the same arrival. New memories cannot be played immediately. Empty crossings still pay costs, pressure, quotas and decay; no Tartarus service payment. No reactive plays, purchases or route changes outside Load.
